16 Palace Street, London, SW1E 5JD**

Please read the letter from the Chairman on pages 2 to 5 of this document in respect of attendance and the current situation surrounding the COVID-19 Government restrictions.

A form of proxy for ordinary Shareholders is provided for use at the Annual General Meeting. To be valid, the form of proxy should be completed and returned in accordance with the instructions thereon to Equiniti Limited at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA as soon as possible but in any event so as to arrive not later than 48 hours before the time appointed for holding the Meeting (excluding non-working days).

You are encouraged to complete and submit your form of proxy as soon as possible. In order to provide you with the opportunity to engage with the Management team and the Board you are invited to submit your questions in writing to cosec@polarcapital.co.uk, stating the subject as PCFT AGM. Questions will be responded to in writing as soon as possible and, where possible, ahead of the AGM.

To the holders of ordinary shares

Notice of the eighth Annual General Meeting of Polar Capital Global Financials Trust plc (the 'Company')

Dear Shareholder

The health and welfare of the Company's shareholders, and wider stakeholders is our number one priority. The Board has continually monitored the situation in connection with COVID-19 and has made plans for the AGM based on the current government guidelines in relation to gatherings of individuals from multiple households. As such, the AGM this year will be a 'closed meeting' with only a quorum represented by board member and adviser shareholders; all resolutions will be voted on by a poll and we would therefore encourage you to submit your votes by proxy in accordance with the instructions included in this Notice of AGM. Shareholders are encouraged to vote on the resolutions by proxy ahead of the deadline of 11.00am on Friday, 26 March 2021.

The AGM ordinarily provides an opportunity for your Directors to meet with you, to provide a presentation from the investment managers and to answer your questions. However, due to the restrictions, it is not possible to provide this level of interaction this year. Therefore, as we did so for the recent General Meeting we have arranged for a quorum to be present in person at the Meeting and hereby notify Shareholders that anyone seeking to attend the Meeting in person will be refused entry. In this regard the Meeting is being held as a 'closed door' meeting.

We acknowledge that a closed meeting does not represent an opportunity for shareholders to engage with either the Board or the Managers and for this reason we are inviting questions ahead of the AGM by email to cosec@polarcapital.co.uk (subject marked '**PCFT AGM**'). Where possible we will respond to the questions ahead of the meeting. In addition to questions, a video of the Chairman reflecting on the year past along with a presentation from the Investment Managers will be uploaded to the Company's website www.polarcapitalglobalfinancialstrust.com, we will release a market announcement once the video is available.

We encourage all Shareholders to cast their votes by proxy. Ordinarily you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the Notice of AGM, however due to the meeting being a closed-door meeting we ask you to appoint the Chairman of the Meeting to act as your proxy.

The purpose of this letter is to explain the business to be considered at the AGM.

Resolution 1 – To receive the Annual Report and Audited Financial Statements

The Annual Report and Audited Financial Statements for the year ended 30 November 2020 will be presented to the AGM. The Annual Report has been sent to Shareholders and is available from the Company's website. Shareholders are invited to submit questions on the Annual Report and Financials Statements by email as detailed above.

Resolutions 2 – Directors’ Remuneration Implementation Report (pages 51 to 55 of the Annual Report)

At the AGM in 2020 shareholders approved the Remuneration Policy which, unless renewed, amended and approved by shareholders, remains in force until 30 November 2023.

Resolution 2 seeks approval, on an advisory basis, of the Remuneration Implementation Report, which looks back at the remuneration paid to the Directors for the year ended 30 November 2020.

Resolutions 3 to 6 – Directorate

In accordance with the AIC Code of Corporate Governance, it is recommended that all Directors retire annually and, with the support of the Board, stand for re-election annually. Biographies of each of the Directors can be found on pages 10 and 11 of the Annual Report. The Board has confirmed, following a performance review that the Directors standing for re-election continue to perform effectively and demonstrate commitment to their roles. The Board also considered the specific reasons why each Director’s contribution is, and continues to be, important to the Company’s long-term sustainable success, in accordance with the AIC Code, these are set out below:

Robert Kyprianou – Robert brings a wealth of investment and strategic experience to the Board along with detailed and effective leadership skills, most recently demonstrated through the completion of the Company’s tender offer and reconstruction during the COVID-19 pandemic. The Board has and continues to value the contribution made by Robert to the running of the Company. Since the COVID-19 restrictions have been in force, Robert has rallied the Board and Managers to meet multiple times outside of formal Board meetings to ensure communication was effective and current.

Joanne Elliott – Joanne has recent and relevant financial and investment expertise with a strong accounting background which enables her to perform in-depth analyses of the Company’s financial statements in conjunction with the external service providers. In addition to her financial expertise, Joanne has a wealth of experience in the investment and property sector through her role at Thames River Capital and brings to the Board current and active knowledge of the industry.

Katrina Hart – Katrina has extensive knowledge of the investment sector and serves on the boards of several investment companies, enabling her to bring a wider understanding and breadth of knowledge to the Company from across the investment industry. Katrina also brings corporate finance and broking experience to the Board having spent many years analysing and commenting on a broad range of businesses operating in the financial sector.

Simon Cordery – On appointment to the Board in 2019, Simon brought his extensive wealth management and marketing experience and detailed knowledge of the investment trust market having previously held the position of Head of Investor Relations & Sales for BMO Global’s Investment Trust business. Simon actively participates in meetings and brings a new approach to investor and shareholder engagement with the ability to share expertise with the sales and marketing team of Polar Capital.

Resolution 7 – Dividend Policy

The Company will aim to pay two interim dividends in respect of each full financial year. The rate for the first full financial year was 3.1 pence per Ordinary Share, since then the Company has continued to increase the dividend progressively until the current financial year. On 4 May 2020, the Board announced that due to conditions arising from the COVID-19 pandemic, the income base of the Company had changed as a result of the economic recession and the regulatory action taken to cut or suspend dividends paid by some financial companies. The Board however expected to maintain the dividend rate for the financial year under review and as a result the dividend level paid for the financial year 2020 remained the same as 2019 at a total of 4.4 pence per Ordinary Share. It continues to be the aim of the Company to maintain an income and growth mandate and the Board will utilise reserves to support the dividend where necessary until the longer-term income capability of the portfolio is established. The interim dividends will not necessarily be of equal amounts because the dividends from the Company’s underlying investments are expected to arrive irregularly throughout the financial year.

Resolutions 8 and 9 – Re-appointment of Auditors and Auditors’ Remuneration

Resolution 8 relates to the re-appointment of PricewaterhouseCoopers LLP as the Company’s independent auditors to hold office until the next Annual General Meeting of the Company.

Resolution 9 authorises the Directors to determine the remuneration of the Auditors.

Resolution 10 – Allotment of Shares

Resolution 10 deals with the Directors’ authority to allot ordinary shares. At last year’s Annual General Meeting, the Directors were given authority to allot ordinary shares in the capital of the Company up to a maximum nominal value of £616,354, representing approximately 10 per cent of the Company’s then issued ordinary share capital.

Resolution 10 will, if passed, renew the authority to allot ordinary shares given to the Directors on broadly the same terms in respect of 13,712,500 ordinary shares with a nominal value of £685,625 representing approximately 10 per cent of the Company’s issued ordinary share capital on 22 February 2021, or such other number representing 10 per cent of the issued ordinary share capital at the date of the meeting. Unless renewed or revoked earlier, the power will last until the end of the next AGM of the Company.

Resolution 11 – Disapplication of Statutory Pre-emption Rights

Resolution 11 will give the Directors power to allot ordinary shares pursuant to the authority granted under Resolution 10 for cash without, in certain circumstances, being required to comply with the pre-emption rights in the Act. In particular, this power will permit the Directors to allot in aggregate ordinary shares up to a maximum nominal value of £685,625 representing approximately 10 per cent of the issued ordinary share capital of the Company as at 22 February 2021, or such other number representing 10 per cent of the issued ordinary share capital at the date of the meeting, for cash otherwise than in connection with an offer to existing Shareholders. This authority also permits the Directors to sell any such shares held in treasury. Unless renewed or revoked earlier, the authority conferred by **Resolution 11** will expire upon the expiry of the general authority conferred in **Resolution 10**.

The Directors’ policy on the issue of new ordinary shares is for the net issue price (after an allocation of costs) to be above the fully diluted Net Asset Value (‘NAV’) per share.

The Directors consider that renewing the Company’s share allotment authority to a limited extent and disapplying pre-emption rights in respect of such allotment is advantageous for Shareholders on the basis that (a) any ordinary shares issued for cash will be at a price that will be in excess of NAV and should therefore enhance NAV for existing Shareholders (over the longer term); (b) a larger capital base should result in a lower ongoing charges ratio for the Company because of the fixed element of costs; and (c) the increased number of ordinary shares should improve their liquidity. The Directors further believe that having the ability to ensure a ready supply of ordinary shares to the market should assist in avoiding the creation of an excessive and unsustainable premium over NAV, which could increase the risks for new investors.

It should be noted that the authority conferred by Resolution 11 is in addition to the authority conferred on the Company by Shareholders at the General Meeting of the Company held on 1 February 2021, in relation to the re-issue of shares held by the Company in treasury on a non-pre-emptive basis. Such authority will expire at the conclusion of the AGM to be held in 2022 or the exhaustion of the 68,100,000 ordinary shares held in the treasury account on the date of such authority being granted, whichever is the earlier.

Resolution 12 – Authority to make Market Purchases of Ordinary Shares

Resolution 12 renews the authority granted to the Company to buy back its own ordinary shares in the market as permitted by the Act.

On 7 April 2020, the Company was given authority to buy back up to 100 per cent. of the issued Ordinary Shares in connection with the Company reconstruction and tender offer. Under such authority the Company bought back 79,159,235 Ordinary Shares which were then placed into treasury.

At the AGM held on 28 May 2020, the Company was given authority to make market purchases of up to 14.99 per cent of the Company's ordinary share capital. The Board wishes to renew this authority so that the Company will retain the flexibility to make market purchases of its own shares where the Board considers it desirable to do so. In the period from the 2020 AGM to 30 November 2020, the Company bought back 325,000 ordinary shares under the authority; in the period from 30 November 2020 up to and including 22 February 2021 no further shares were bought back.

The Directors believe that to make purchases of ordinary shares in the market at appropriate times and prices, is a suitable method of enhancing Shareholder value. Where the purchases of ordinary shares are made at prices below the prevailing NAV per share, this will enhance the fully diluted NAV for the remaining Shareholders. The Board therefore intends that purchases of ordinary shares would only be made at prices below the NAV.

The Company would, within guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximising the benefits to Shareholders. The Board considers that it will be most advantageous to Shareholders for the Company to be able to make such purchases as and when it considers market conditions to be favourable and therefore does not propose to set a timetable for making any such purchases.

Resolution 12 provides that the number of ordinary shares that could be purchased does not exceed a maximum of 20,555,037 (representing approximately 14.99 per cent of the Company's issued ordinary share capital as at 22 February 2021), or such other number representing 14.99 per cent of the issued ordinary share capital at the date of the meeting. The resolution also sets the maximum price that may be paid by the Company at the higher of 105 per cent of the average middle-market quotation for an ordinary share on the five business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 5p per ordinary share (being the nominal value per share).

The authority granted under **Resolution 12** will last until the end of the next Annual General Meeting of the Company or until the whole of the relevant 14.99 per cent has been utilised, whichever is the earlier.

Under the Act, the Company is allowed to hold its own ordinary shares in treasury following a buy back, instead of cancelling them. This gives the Company the ability to re-sell treasury shares quickly and cost effectively and provides the Company with additional flexibility in the management of its capital base. Shares held in treasury have their voting and dividend rights suspended. If the Directors exercise the authority conferred by Resolution 12 the Company will have the option of either cancelling or holding in treasury any shares purchased in the market. The Directors will decide at the time of purchase which option to pursue. The Directors will have regard to any guidelines issued by investor groups at the time of any such purchase with respect to the holding or resale of treasury shares. As at 22 February 2021, the Company held 65,650,000 ordinary shares in treasury.

Recommendation

The formal Notice of the AGM is set out on pages 6 and 7 of this document.

The Board believes that the passing of the **Resolutions 1–12** should help to promote the success of the Company and is in the best interests of the Company and its Shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 207,645 shares, representing approximately 0.15 per cent of the total voting rights of the issued ordinary share capital of the Company.

If you are an ordinary Shareholder and would like to vote on the resolutions, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the notice of AGM. You are therefore urged to return the enclosed form of proxy without delay.

Yours sincerely

Robert Kyprianou
Chairman
